RE: Arizona Public Service Company (APS) Renewable Energy Standard (RES)
2012 RES Implementation Plan Residential Incentive Funding
Docket No. E-01345A-11-0264

Pursuant to Arizona Corporation Commission (Commission) Decision No. 72737, APS is required to:

On the day that any trigger is activated, APS will notify the solar industry by e-mail and APS will provide a similar notice on its website. The mechanics of the residential triggers would include timely notification to the Commission and installers if the trigger is reached.
Decision No. 72737, page 6, FOF 21.

APS hereby notifies the Commission and interested parties that the initial residential incentive trigger for 2012 was reached on January 19, 2012. Therefore, the up-front incentive for residential solar photovoltaic installations has been reduced to \$0.60 per watt.

If you have any questions regarding this information, please contact Jeff Johnson at (602)250-2661.
